Overview

Brian Tufte is a registered patent attorney and founding member of the intellectual property law firm of Seager Tufte Wickhem. He is based in the firm's Minneapolis, Minnesota office.

Brian's practice focuses primarily on patent prosecution in the electrical, optical and mechanical arts, portfolio assessment and management, infringement and validity evaluations, licensing, and counseling on a wide variety of patent and trademark matters.

Prior to entering the legal profession, Brian worked as an electrical engineer for a large multinational corporation. While there, he gained more than seven years of specialized corporate work experience, included designing and testing custom radiation hard integrated circuits including custom microprocessors and memories.
