Overview

Stephanie Clapper is a registered patent agent in the intellectual property law firm of Seager Tuftes Wickhem and is based in the firm's Minneapolis, Minnesota office.

Stephanie provides support to the firm's attorneys for the preparation and prosecution of domestic and international patent applications encompassing a variety of mechanical and chemical technologies, including medical devices.

Prior to joining Seager Tuftes Wickhem in 2007, Stephanie spent several years as a manufacturing engineer with a multinational company. She has experience in electroplating, materials and chemical processes.

Born in East Moline, Illinois, Stephanie received her B.S.E. from the University of Iowa in Chemical engineering.
